2. We make sure that you will get maximized-returns at an affordable price.
3. We come to you and your communities to provide our services and help you to address any tax related issues.
4. We are committed to provide quality services to our community members and aim to continue services to do so in the future tax return.
5. We interview each and every individual to maximize their returns.
6. We make sure you will get the maximum benefits from IRS without breaking any rules.
7. We do free e-filing for Federal and all states.
8. We speak your language and try our best to address your tax related questions and concerns.

Some of the questions we ask to maximize your tax might be:

1. Did you buy or sale a house? Do you pay mortgage? How about equity?
2. How many cars do you have? Did you have any property that you paid tax last year?
3. Do you have two jobs?
4. Did your dependent (parent) visit USA and stayed more than 6 months?
5. Did you pay any tuition fee for you or any of your dependants?
6. Did you take student loan?
7. Did you go to school and earn scholarship or fellowship?
8. How is your family structure? Do you have children? How many?
9. Did you have parents living with you? Are they still living with you?
10. Did you lose your job?
11. Did you spend any money to search jobs or to prepare for a job?
12. Did you pay baby sitter/child care to take care of your baby?
13. Did you file your tax incorrectly last years?
14. Did you get "stimulation package" last year?
15. Did you have small business? Do you still own a business?
16. Did you pay any medical bill or prescription drugs?
17. Did you move from another state?
18. How about IRA or 401k contribution and withdrawal?
19. Did you earn interests from your bank or any other investment?
